

EFFICIENT SOLUTION FOR EASY ACCESS AT ALL TIMES

Introducing the lightweight ABUS LOTO pouches, available in two sizes and designed for convenient belt attachment through the loop on the back.

These compact and efficient solutions are ideal for construction endeavors or external machine maintenance. They ensure that safety locks and latches are easily accessible and stowed away effortlessly using the practical two-way zipper. Our team is ready to offer guidance and assistance in assembling a tailored LOTO kit that perfectly aligns with your requirements.
