WITH HIGH-QUALITY SPIRAL CABLE

The ideal bicycle lock for regions with a low risk of theft. Inexpensive and functional to protect your bike.

The Spiral Cable Lock Star 4508K offers effective protection in regions or places with a low risk of theft. It has an 8 mm thick, high-quality spiral cable whose black plastic sheathing protects the bicycle frame from possible paint damage in use. The Snap Cage mount can be easily and quickly mounted on the bike, which means the lock is compact and easy to carry on the bike.

Technologies

- 5/16" thick, high-quality and super flexible spiral cable
- Plastic coating to prevent damage to the bicycle's paintwork

Use and application

- Good protection at low theft risk
- Recommended for securing entry-level and children's bikes

Tips

- Coil cable locks offer a compact transport size and have an extremely multifunctional and practicable length
 - The lock is ideal as a second lock for securing components
