

LIGHT, ROBUST AND SAFE

Crafted from special aluminum, our 80 TITALIUM™ padlock features a robust lock body and a precision cylinder.

This lightweight yet secure padlock is designed to safeguard larger valuables and items in high-risk theft situations. Ideal for securing cellar doors, gates, cabinets, lockers, and toolboxes, it comes equipped with a hardened steel shackle sporting a Nano Protect™ coating. This added feature enhances the padlock's durability and security, making it a reliable choice for your protection needs.

Technologies

- Solid lock body made from TITALIUM™ aluminum alloy - higher security, less weight
- Hardened steel shackle with NANO PROTECT™ plating for extreme corrosion resistance
- 6-pin precision cylinder with paracentric keyway
- Double bolted shackle
- Chrome-plated cylinder plugs with additional corrosion resistance
- Large tulip-shaped key head

Use and application

- To secure valuables/ goods of greater value or at a high risk of theft
- To secure doors, gates, cupboards, tool boxes, cellar windows, sheds, switchboards, etc.

Variants

- Sizes: 1 37/64, 1 49/64", 1 31/32", 2 23/64""
- High shackles (HB): 40HB40, 40HB63
